## MOI SERIES

### Two-Piece Toilet

#### Description

Mercio rimless toilet features a patented VORTEX flushing technology that enable good transportation of wastes with minimum water consumption. It also replaced 100% trapped water per cycle so as to prevent growth of bacteria. Not only with Hygiene Plus technology on its glazed surface, our R&D engineer has designed it without a flush rim, therefore no hidden and hard to reach places that is prompt to growth of bacteria and also bad odour. Coupled with all these new technologies, MERCIO is always the first choice when it comes to selecting a hygienic toilet for your home.
